

St. Luke's Episcopal Church
Wedding Information Form

We at St. Luke's are delighted to celebrate your wedding day with you. Our hope is that your wedding planning, preparation, and ceremony will draw you together with one another and with God. Weddings at St. Luke's are distinctly Christian worship services. The priest presiding at your wedding will walk you through the various available liturgical options for your ceremony. This form will serve as the guiding planning document to ensure all parties are on the same page. Please let us know if you have any questions.
